# CEO Message

Hailing from a small town of interior Sindh, I started my career in the Mechanical Engineering field. It has been quite a rigorous journey since the inception of our company in 1988 at Kandkot. With time, we were able to broaden our expertise and more than 30 years, our company has become a distinguished construction company in Pakistan. Our major challenge today is to sustain our growth while maintaining a resilient financial strategy. We believe in maintaining a partnership based on reliability, transparency, and trust with our clients rather than an average Client-Contractor relationship. Our clients are well aware that we have the skills, resources, and expertise, and most importantly, the ability to complete their projects to the highest standards on time and budget.

M/s Allied Contractors' uncompromising commitment to its clients has resulted in frequent engagements in the megaprojects with Public and Private organizations. As a result, our clients continuously seek to work with us for their projects as they see a trustworthy partner in us. M/s Allied Contractors has been fortunate enough to develop strong relationships that have helped transform the company into what it is today - a reputable firm with a nationwide presence.

As we look to the future, we are committed to giving our clients the best value in the industry, and that will continue to be our emphasis as we build new nationwide collaborative partnerships.

A handwritten signature in blue ink, appearing to read 'Manzoor Illahi'.

Manzoor Illahi

# Our Directors

**Azhar Iqbal**  
Managing Director

I got the challenging post of Managing Director in 1999 as it involved running the whole company. I believe that we should never forget our past experiences. To achieve excellence in the future, one ought to measure the successes of the past, listen to his clients, and take the necessary measures to meet their needs. Our core belief is that we must deliver on the commitments we make to our customers. The best way to that is through being open, trustworthy, giving the best value for money, delivering on time, being flexible.

**Tahira Wajid**  
Director Business  
Development

I joined this group of highly motivated and competent specialists back in 2018 as a Director. I immediately recognized the potential for exponential business growth. Therefore, I wanted to extend the boundaries of our business beyond the conventional realms. We have since expanded our clientele and massively increased the scope of our targets. All credit goes to my team, who share my vision and they have helped me reimagining it. I aspire to take my goals beyond the numerical targets and help take this esteemed company to new heights.

**Zahid Iqbal**  
Director Works

Taking up the position of Director Works at a very young age, I was overwhelmed. However, taking guidance from core company values, I successfully executed several megaprojects. I believe in investing in and trusting our staff. In an era of advanced technologies and new techniques, it is also vital that we continuously strive for innovation and enhanced efficiency. I consider it my duty to pledge to remain committed to excellence, keep abreast of changes and innovations, adopt better management and construction techniques.

# History

## Establishment | 1988

With a history dating back to 1988, M/s Allied Contractors represents a proven history of general contracting services in industrial, energy and commercial sector. Our founder Mr Manzoor Illahi started the company as a small proprietary business in Kandhkot, a city of District kashmore Sindh, Pakistan. Through his visionary leadership, integrity, innovations and customer orientation M/s Allied Contractors successfully complete several projects with prominent organizations of Pakistan including Pakistan Petroleum Limited.

## Karachi Office | 2003

In year 2003, M/s Allied Contractors established its branch office at Karachi, the largest city and commercial hub of Pakistan to expand the business in true sense. Through our employees' dedication to excellent work, customer service that exceeds expectations and adherence to safety policies, we delivered numerous construction projects and general supply works.

Being a quality conscious company, M/s Allied contractors was ISO 9001 certified as well as registered with Pakistan Engineering Council to compete the market and offer more services to its clients. The company grew robustly over the years and managed its place in the list of prominent contractors for the civil construction works especially in oil & gas sector of Pakistan.

## Islamabad Office | 2015

As the company expanded and projects spread across the country, M/s Allied contractors opened a branch office at Islamabad, the capital city of Pakistan in 2015. Currently, we are providing diverse range of services including Civil, Mechanical and Electrical works. Over the years, we have fine-tuned our strategy to focus on the market segments to which we Can add the most value, including energy, industrial and commercial facilities, infrastructure, education, fit-outs and refurbishment of buildings.

Our experience, stability and capabilities distinguish us in the market. Our principles of lean construction help us to minimize waste and maximize use of time, labour, and materials. For us, planning is integral, collaboration is key, and the result is an uninterrupted workflow, which helps us deliver a project to the full satisfaction of our clients. A major part of our success is our ability to maintain long-term relationships with clients and suppliers.

Recent up graduation with Pakistan engineering council up to no limit / CA category & our enlistment with DUNS as international contractor is evidence of our exponential growth.

# Vision

- To serve as a solution focused partner providing an exceptional customer friendly experience.
- To create a culture within our company that will create quality minded employees and then in turn top quality performance will be achieved.
- To become a world class engineering and servicing company operating operation internationally.

# Mission

- To achieve personal satisfaction through the success of others.
- Providing an environment where individual professional growth is the foundation for company's growth.
- Serving as a voice for owners to stakeholders that can make a difference.
- Bringing new ideas to the construction industry and to government leaders.

# Guiding Principles

At **ALLIED CONTRACTORS**, Management and Employees Value

- People their health and safety, development effectiveness and mutual respect.
- Diversity of perspective and opinions.
- The leadership and contributions of all our volunteers and staff.
- Getting projects built safely, on time and cost effectively.
- Our ability to continuously improve the construction environment.
- Open sharing of ideas to create best practices based on sound research and our collective experience

# Quality Policy

At **ALLIED CONTRACTORS**, Management & Employees are committed to:

- Provide high quality services to our valuable customers.
- Achieve continual improvement in our processes through effective implementation of QMS.
- Promoting teamwork in the Company and achieve customer's satisfaction.

# HSE Policy

At **ALLIED CONTRACTORS**, Management & Employees are committed to:

- Ensure that all our operational activities to comply with all applicable Health, Safety and Environmental rules and regulations.
- Achieve continual improvement in our working process through Effective Implementation of Health, Safety and Environmental Management Systems (EMS) requirements along with proper training of all employees.
- Ensure safe disposal of waste by utilizing responsible pollution control practices.
- Make availability of accurate information regarding Health, Safety and Environmental Management Systems (IMS) for Customers, Stakeholders, Employees, Government Agencies and the Public.

# Sustainability

Being OHSAS 18001 Certified & member of Pakistan Green Building Council, ALLIED CONTRACTORS Management & Employees are committed to reduce the impact the construction business has on the environment and encourages sustainable practices.

## **Our Management and all staff ensure:**

- Practical implementation & promotion of sustainable development techniques to achieve reduced levels of energy demands & environmental impacts.
- Enhanced use of latest techniques in local construction industry and find the balance between Construction & Operational Costs of projects.
- Promoting Green Building techniques to help ensure access to affordable, reliable, sustainable & modern energy for all communities.
- Other goals include combatting climate change & its impacts and making our projects & their surroundings inclusive, safe, resilient & green.

# Areas of Expertise

## Machinery for Civil Works

Sr. No.	Description	Quantity
1	Asphalt Plant	01 Nos.
2	Concrete Batching Plant	02 Nos.
3	Truck Cranes	02 Nos.
4	Crawler Cranes	01 Nos.
5	Showel	01 Nos.
6	Scraper	02 Nos.
7	Excavator	08 Nos.
8	Skid Loader	06 Nos.
9	Concrete Pump	01 Nos.
10	Transit Mixer	03 Nos.
11	Static Roller	06 Nos.
12	Vibratory Roller	04 Nos.
13	Dozer D-8	04 Nos.
14	Dozer D-6	06 Nos.
15	Hoists	01 Nos.
16	Forklifts	01 Nos.
17	Grader	04 No.
18	Loader	02 No.
19	Paving Machine	01 No.
20	Dumpers	25 Nos.+
21	Concrete Mixer Machine	3 Nos.
22	Toyota Pickup 4x4	08 Nos.
23	Water Bowser Truck	10 Nos.+
24	Water Tanker	02 Nos.
25	Tractor with Trolley	08 Nos.
26	Plate Compactor	9 Nos.
27	Concrete Lift	10 Nos.
28	Steel Shuttering	20,000 SqM
29	Timber Shuttering	20000

## Tools / Equipments for Civil Works

Sr. No.	Description	Quantity
1	Total Station With Staff Rod	15 Sets.
2	Level Instrument	20 Sets.
3	Theodolite Machine	9 Sets.
4	Vibrator	16 Nos.
5	Compactor	15 Nos.
6	Hilty Jack Hammer	13 Nos.
7	Dewatering Pumps Engine Driven	04 Nos.
8	Watering Pump	15 Nos.
9	Scaffolding with CI & MS Joints	22,000 Meter
10	Generators	16 Nos.
11	Welding Plant	12 Nos.
12	Steel Bending Machine	20 Nos.

# List of Machinery & Equipments

## Machinery for Mechanical Works

Sr. No.	Description	Quantity
1	DC Arc Welding Machine	04 Nos.
2	AC Air Cooled Arc Machine	04 Nos.
3	Argon Welding Machine	01 Nos.
4	Oxygen / Acetylene Cutting Machine	02 Nos.
5	Semi Automatic Gas Cutting Machine	03 Nos.
6	Angle Grinding Machine	10 Nos.
7	Cut-off Grinder	05 Nos.
8	Cold Cutting Machine	01 Set.
9	Hand Drill Machine	05 Nos.
10	Floor Mounted Drill Machine & Bits	02 Nos.
11	Chain Block 3 to 10 Ton	01 Nos.
12	Welding Leads, Electric Cables, Switch/Panels	03 Nos.
13	Generator Set 30KW / 10KW China	11 Nos.
14	Centrifugal & Gear Pump Set of Fountain	02 Nos.
15	Casing for Boring ID 16'	100 Meter
16	Casing for Boring ID 8"	100 Meter
17	Casing for Boring ID 6"	100 Meter
18	Lath Machine 7ft Lon & 5ft Long	02 Nos.
19	Pipe Paint Scraping Machine for 6" dia Pipelines	06 Nos.
20	Pipe Paint Scraping Machine for 8" dia Pipelines	08 Nos.
21	Pipe Paint Scraping Machine for 16" dia Pipelines	04 Nos.

## Machinery for Electrical Works

Sr. No.	Description	Quantity
1	Earth Resistance Tester	03 Nos.
2	Megger/ Insulation Tester	02 Nos.
3	Digital Tong Tester	10 Nos.
4	High Potential Tester	01 Nos.
5	Ground Detector Meter	01 Nos.
6	ELCB Board	01 Nos.
7	Transformer Oil Dehydration & Filtration Machine	01 Nos.
8	Wire Puller	02 Nos.
9	Continuity Tester	05 Nos.
10	Multi Meter	04 Nos.
11	Hydraulic Lugs Punch Machine	06 Nos.
12	Cable Drums Stand	02 Nos.
13	Heavy Duty Drill Machines	08 Nos.
14	Folding Ladder Vehicle Mounted	02 Nos.
15	Aluminum Stool	Various
16	Electric Tool Kit	Various
17	Safety Shoes	Various
18	Safety Helmet	Various
19	Coverall with logo embossed	Various
20	Safety Belt & Leather Gloves for Electrical Works	Various
